

Eunice Lancaster, General Manager

Eunice is a business administration graduate and Member of the Chartered Institute of Marketing and Chartered Institute of Personnel and Development. She has 14 years experience in the social enterprise sector and 4 years in the private sector. Over the last eight years she has specialised in working in financial inclusion including credit unions, money advice organisations and CDFIs. She has been the General Manager of DSL for the last three years and has led DSL during this period to expand into new areas resulting in an increase in a 300% increase in loans issued. She is presently a Director of the Community Development Finance Institution UK. Previously, she was a Director of SCUDA (Strathclyde Credit Union Development Agency) and a Director of the Coach House Trust. She also served as a Minister appointed member of the Scottish Credit Union Partnership.
